

KUNGÄLV

Kungälv is an impressive, tiled stove with its beautiful and stately crown.

The combination of the beautiful lines and embellishments of the traditional tiled stove and the large glass door gives an exclusive impression. Relax in front of the inviting glow of fire and enjoy the pleasant and slow heat release that makes the stove so unique.

Technical data

Article no. G855

CE marking: EN 15250

Height: 2350 mm (can be customised to your needs)

Weight: 1400 kg

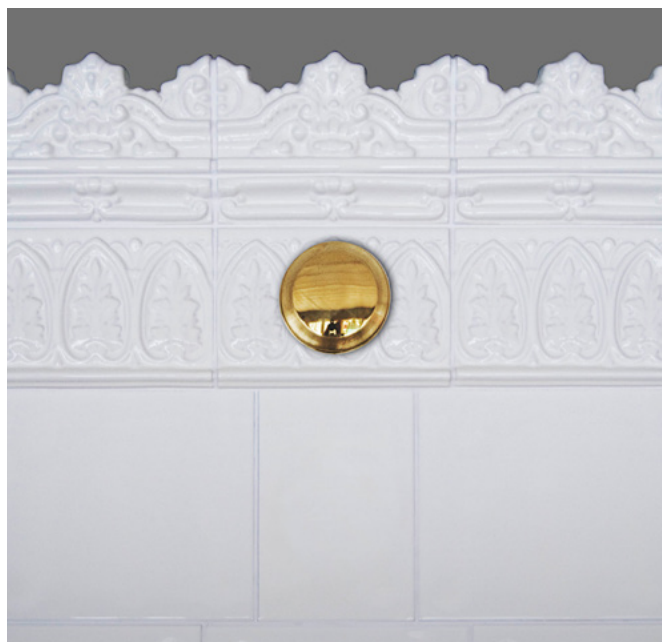

Dimensions (base): 960 x 600 mm
